MAKING ROOM

It's amazing how easy it is to accumulate junk! You know, the things that take up space and really don't have any use, value or mean a thing to us. These things take up space in our closets, our kitchen drawers, our garden shed, our garages and even our schedules, just to mention a few. Many times we even know that these things have no use or value because they are junk that we have put into the "The Junk Drawer"!

Now these things might have started out having a real meaning but through the years, they have lost their meaning. They might have been things that once had you and now you have them. They got a hold of you and these things became a part of your life. They take away from the things that really matter. What's even crazier, because you have gotten so used to them, it's hard to get rid of them. You find yourself saying "I know I don't need this but it still has meaning to me!"

Not a whole lot has changed since the night that Mary and Joseph went from Inn to Inn looking to find a place to stay. They went place to place only to find the same thing, "there was no room for them in the inn." Luke 2:7 The people were so busy and crowded that they missed the coming of our Lord! I pray that we are not so busy and crowded by life that we miss the coming of our Lord! I know that I'll be Making Room!

Merry Christmas!

Pastor Richard

\$10.00 for Workbook
Led by Gary & Elaine Gutierrez

How GriefShare Works

It may be hard for you to feel optimistic about the future right now. If you've lost a spouse, child, family member or friend, you've probably found there are not many people who understand the deep hurt you feel.

This can be a confusing time when you feel isolated and have many questions about things you've never faced before.

GriefShare groups meet weekly to help you face these challenges and move toward rebuilding your life. Each GriefShare session has three distinct elements:

Video Seminar With Experts

Each week your GriefShare group will watch a video seminar featuring top experts on grief and recovery subjects. These videos are produced in an interesting-to-watch television magazine format featuring expert interviews, real-life case studies, dramatic reenactments and on-location video.

Support Group Discussion with Focus

After viewing the video, you and the other group members will spend time as a support group, discussing what was presented in that week's video seminar and what is going on in your lives.

Workbook-Based Personal Study and Reflection

During the week you will have the opportunity to use your workbook for further personal study of the grieving process and to help sort out your emotions through journaling. Your group will spend time discussing questions and comments from the workbook study.

More information is available at:

Baby-BZ Nursery

Baby Cradlers

Volunteers are needed to cradle babies in our nursery. As a volunteer baby cradler, you would hold and rock our precious baby-b'z. Christ's Birthday Offering

There was no room; no place to stay at the end of the holy family's long and arduous journey. There were no comfortable beds, warm cups of tea, or simple chairs to rest weary bones and muscles. No hostess greeted the weary travelers with a smile and nourishing food. The family was lost amid the busy, overcrowded city. They were forgotten.

Someone took pity on their plight and offered the only space available: the meager shelter for the animals. The only comfort for the forgotten family was the forgotten place. In the forgotten place, they made room for the holy. The Messiah was born. The forgotten space became sacred space.

Advent, the time of preparation and expectation, is about making room and turning forgotten spaces into sacred spaces. Become co-hosts with Christ and remind forgotten ones that they too are created in God's holy image. Make room for the marginalized, oppressed, those at the edges and find sacred relationships.

Why should I participate in the Christ's Birthday Observance?

The Christ's Birthday Observance brings focus upon Christ during a season which is filled commercialism. Since 1949 the Church of God around the world has focused on the birth of Jesus through devotion, prayer, and by giving generously to the Christ's Birthday Offering. Join churches around the world as we share the great story of Christ's birth to the world!

We will be collecting the Christ's Birthday Offering Sundays, December 11, 18 & 25. Our goal is \$6,000.00.

Celebration of Life Service

On Sunday, December 11 at 5:00 pm the GriefShare support ministry will be hosting a special candlelight memorial service in honor of all family members who have passed away. Everyone is welcome. Pictures of loved ones may be displayed during the service.
